

Did you know?

There are over **122,000 Gas Stations and C-Stores** in the US and approximately **60%** of the market charges for air.

In the US each pay location averages **9 users** a day

X **365 days**

X **73,200 locations**

240,462,000
pay uses per year for air
at Gas Stations and C-Stores
in the US

In the US each free location averages **35 users** a day

X **365 days**

X **48,800 locations**

623,420,000
free uses per year for air
at Gas Stations and C-Stores
in the US

**TIRE SHOP
AUTO REPAIR
DEALERSHIP**

Over **863,882,000** uses per year at a Gas Station or C-Store as opposed to a **tire shop or repair center.**

This is a **GREAT OPPORTUNITY** for
**Tire Shops, Dealerships,
& Auto Repair Shops**
to capture this huge audience!
